CATHOLIC
TEACHING
ALLIANCE

'School Direct' is the new way of training teachers, which puts schools at the heart of the process.

The Catholic Teaching Alliance (North) School Direct programme, led by Our Lady & St Patrick's Catholic Primary School in Maryport, is a partnership between Catholic primary schools in West Cumbria.

Working in Partnership with The University of Cumbria, we have designed an exciting training opportunity that combines school placement experiences that take place across our partnership schools in West Cumbria, as well as at the University of Cumbria.
